

PROGRAM VERIFICATION FORM

Participant Name: Yihan Wang

Program Name: TechXcelerate

Program Theme: Applying Machine Learning to Engineering and Science

Organizer: MIT xPRO | Blended Learning

Program Start Date: July 15, 2024

Program End Date: August 09, 2024

Date of Verification: September 06, 2024

Location: Cambridge, Massachusetts, United States

Interactive Lectures

- ☒ Deep Dive into Technical Leadership by **David Niño**, Professor in the Bernard M. Gordon-MIT Engineering Leadership Program
- ☒ Quantum Computing & Latest Industry Trends and Applications by **Karl Berggren**, Professor of Electrical Engineering at Massachusetts Institute of Technology
- ☒ Technical Design Thinking and Innovation & AI Industry Applications by **Blade Kotelly**, Professor at MIT on Design-Thinking and Innovation

Project-Based Learning Subject Selection

- ☒ Computer 3D Graphics and Deep Learning
- ☐ Real-World Applications of ML, NLP & LLM
- ☐ LIDAR, Photonic Quantum Computing and Machine Learning
- ☐ Deep Learning for Computer Vision
- ☐ Co-designing Quantum Computing Architecture
- ☐ Company Innovation Strategy in Technology
- ☐ Visual Data Science
- ☐ Innovation Management & Strategic Leadership
- ☐ Applied Psychology With Human Data
- ☐ Operations Management and Supply Chain Analytics

On-Campus Events and Cultural Activities:

The program offered robust academic and cultural activities at MIT and Boston, including seminars in key sciences and vibrant campus experiences. Completion certifies the participant's independent adaptability and proficiency in the U.S. academic and cultural settings.

Program Status

- ☐ Program not started
- ☐ Program in progress
- ☒ Program completed

Certificate Status

- ☐ Did not earn certificate
- ☐ Certificate eligibility pending
- ☒ Earned certificate

To obtain the digital version of the certificate, please visit

<https://xpro.mit.edu/certificate/11698214-6cc4-4692-9c3e-c4ac38a55537/>

The participant is eligible to receive 2.5 CEUs. The Certificate of Completion will indicate their CEU award. CEUs are U.S. nationally-recognized means of recording non-credit/non-degree study.
